

# MANITOBA'S **BEST** BUILDINGS OF 2011

In 2011, 19 more Manitoba buildings earned the BOMA BEST certification.

BEST stands for **B**uilding **E**nvironmental **S**tandards, and BEST-certified buildings **lead the way** in energy and water conservation, waste reduction, indoor air quality, and operational best practices.

The owners, managers, and tenants of these buildings demonstrate their commitment to the environment on a daily basis. **Will you join them?**
