WINNIPEG — The manager of one of the busiest real estate offices in the city has been named the 2012 president of the WinnipegREALTORS.

Shirley Przybyl, broker manager for Century 21 Bachman & Associates, succeeds outgoing president Ralph Fyfe, who also works at Century 21 Bachman.

A 19-year veteran of the industry, Przybyl has been a broker for the past 10 years. The association said her academic background in business administration, with a major in accounting, has served her well in managing an office with more than 70 agents. And it will service her well in her role as head of the 1,600-member association and its 12-member board of directors.

"I really enjoy the dynamism of our industry and the opportunity it presents people like me to get involved and give back," Przybyl said in a written statement. "One thing I am most proud of in the last few years is how our association is becoming more active in the community through supporting the Manitoba Real Estate Association Shelter Foundation, Take Pride Winnipeg, and raising over \$1.6 million for the Canadian Museum for Human Rights."
