Manitoba Legislative Building manager Todd Miclash (right) takes Minister of Finance Stan Struthers (left) and reporter Bruce Owen on a tour of the tunnel underneath the Manitoba legislature that connects with other government buildings.

The *Free Press* recently went on an escorted tour under the Manitoba Legislative Building to find out what's up — or down, I guess — with a tunnel that connects it with nearby government buildings.

Is it a secret escape route?

Was it built to protect politicians and their minions from angry Manitobans?

Or does it have some other purpose?

Watch the video to find out and read Bruce Owen's story in Saturday's *Free Press*.
