### More Details on Centrepoint Development to be Revealed

**BOMA Manitoba hosts luncheon with Centrepoint partners, Stantec, Longboat Development Corporation and Stevenson Group Inc.**

**(Wednesday, January 16, 2013 – WINNIPEG, MB)** Today, commercial real estate professionals and property managers will be getting an in-depth look at the latest Centrepoint Development at the Building Owners and Managers Association of Manitoba's luncheon.

Boasting 200,000 square feet of modern space, Centrepoint is one of the key anchors in Downtown Winnipeg's revitalization, located right in the heart of the Sports, Hospitality and Entertainment District.

"We're thrilled to give our members an inside look at Winnipeg's newest downtown project," says Tom Thiessen, Executive Director of BOMA Manitoba. "This initiative coincides with many exciting projects happening right now in our city."

Representatives from Stantec, Longboat Development Corporation, and Stevenson Group Inc. – key partners of Centrepoint - will be presenting on the project's latest developments.
