Awards Luncheon honours the best in commercial property management and building operations in Manitoba

(Wednesday, June 12, 2013 – WINNIPEG, MB) Today, the Building Owners and Managers Association of Manitoba (BOMA Manitoba) will host its annual Awards of Excellence Luncheon – an industry event that recognizes the very best in commercial property management and building operations in Manitoba. The luncheon will be emceed by Doug Brown, former CFL player.

“BOMA’s Awards program sets the standard for operational best practices and customer service excellence in our industry,” says Tom Thiessen, Executive Director. “These nominees – the companies and individuals – have established themselves as the very best in our province, and we’re proud to recognize their achievements.”
