

Director, Capital Projects and Space Management

Finance & Administration

(4-year contract position)

Red River College is seeking a qualified and motivated individual who will play a major role in shaping the Skilled Trades and Technology Center and all new major capital construction projects. This will be a four (4) year contract commitment with competitive salary.

Duties: Reporting to the Vice-President, Finance & Administration, the Director, Capital Construction and Space Management is responsible for the management of all major capital construction/renovation projects including the Skilled Trades and Technology Centre. The incumbent will be responsible for developing a comprehensive approach to space management and a space management system in conjunction with the new facilities. This position combines engineering, architectural, and construction management with strategic management to achieve the successful completion of projects on time, and on budget.

Qualifications:

Required:

- A degree in a related area, preferably in Construction Management, with a sound background and understanding of architecture, mechanical, structural or electrical engineering and project management ; a combination of education in the related areas and experience may be considered;
- A sound knowledge of design, construction and the construction industry, combined with at least 10 years progressive experience as a project manager in the construction field;
- Excellent communication and presentation skills;
- Strong planning, analytical, problem solving and decision making skills;
- Critical thinking skills;
- Proficient computer skills in Microsoft Office Suite, AutoCAD and other construction related software;
- Demonstrated ability to effectively lead and promote change;
- Proficiency in communicating effectively with various stakeholders, including internal students and staff, contractors, government agencies and their representatives, and representatives of the private sector;
- The ability to build and maintain cooperative work relationships with others;
- The ability to work effectively in a culturally diverse environment.

Asset:

- Certification in Project Management

Conditions of Employment:

- Candidates must be legally entitled to work in Canada
- Valid Full Manitoba Driver's License
- Satisfactory Criminal Records Check
