Job Details

Description

If you thrive in a team-oriented workplace that challenges your skills, to drive your career development, embraces diversity and rewards innovation, with competitive pay and great employee programs, join the Ainsworth (a GDI company) team today!

Job Summary:

We are currently looking for a **Building Automation System (BAS) Technician** to join our growing team based out of Winnipeg, MB. As a BAS Technician you will be involved in the installation, commissioning and servicing of commercial building automation systems. This position requires a good working knowledge of PC fundamentals, PC Networking/LAN, basic electronic theory and Building Electrical/Mechanical systems.

Key Responsibilities:

- Assist in delivering BAS solutions to our customer base within the Construction/Operation Department.
- Assist with site commissioning, point to point verifications, troubleshooting and startup of a variety of Building Automation Systems.
- Learn and demonstrate a thorough understanding of Ainsworth Safe Work and H&S Policies.
- Understand fundamentals of how HVAC systems operate on commercial buildings.
- Work with and understand HVAC and Digital Control fundamentals
- Demonstrate working knowledge of BAS Networking and Building System Integration.

Qualifications:

- Valid Driver's license.
- Fluent in English – both written and oral.
- The ability to read and understand construction plans and specs and product documentation.
- Graduate of Post-Secondary technical or engineering program.
- Fluent in Microsoft Office.
- Medium physical duties, the ability to stand for long periods of time in a construction environment, the ability to climb ladders and at times work from heights.

While we appreciate all applications we receive, we advise that only candidates under consideration will be contacted.

Ainsworth (a GDI Company) is committed to building a diverse and inclusive workplace. Qualified designated group members are encouraged to apply as any reasonable accommodation of qualifications will be considered as per our Accommodation Policy, available upon request.

Ainsworth (a GDI Company) is an integrated multi-trade company, offering an end-to-end services and solutions for all asset maintenance and refurbishment requirements of our customers. We are continually striving to create better and more advanced products as well as provide the highest quality service. We are rapidly growing and need talented professionals to help drive our vision at becoming the best multi-trade company in the country! **Join us.... Make a difference.**
